OVERALL EXCELLENCE FINALISTS FROM NEW ENGLAND REGION

That completes the announcements of ASBPE's regional-level awards! Many of the winning entries we saw today will also be honored with national-level awards. The national awards will be given out at the national Azbee Awards banquet, which will be held July 21 at the Poynter Institute in St. Petersburg, Florida. The national banquet will be held in conjunction with this year's ASBPE conference, the B2B Media Success Conference, which will run July 21-22.

Before we adjourn today, we'd like to take a moment to recognize the Overall Excellence national finalists from our region. The Overall Excellence Azbee winners are given only on a national level, and three categories are represented in this division: Magazine of the Year, Website of the Year, and Cross-Platform Package of the Year. Today we'll be recognizing the finalists only from our region, but each of those finalists won't find out the level of their award or receive their trophy or certificate until the national banquet.

As we honor each Overall Excellence finalist, we ask that anyone in attendance from those publications please stand to be recognized!
